As a leading dealer of tungsten carbide cutting tools for over a decade, Toolings and Technologies., provides a one-stop solution for all metal working needs. Our mission is helping our clients boost their productivity and improve performance by offering a vast portfolio of Carbide, Ceramic and Cermet, CBN & PCD cutting tools supported by our extensive technical and experiential knowledge.

Customer Commitment: -

Our commitment is to drive value for our clients across the industry catering to the Indian market. We are driven by our core principles of fairness, honesty and integrity and have created lasting relationships with our clients. We are passionate about impacting change and helping drive innovative ideas through our engineering solutions. As a family-owned business, we truly live by our core principles of exercising best practices in meeting the needs of a growing consumer base. It's our forte to provide optimal solutions at the fairest prices without compromising on our commitment to quality. We invite you to explore our product ranges and esteemed clients.

USP: -

Some of the main aspects that have enabled us to achieve excellence in this domain are enlisted below:

- Quality products
- Budget-friendly prices
- Reliable & Prompt services
- Qualified and trained professionals
- Extensive and comprehensive range of products

Team Toolings and Technologies & :-

Our team comprises of the following professionals:

- Application Sales Engineers
- Accounts Executive
- Logistics Executive
- Sales Promotion Manager
- Stores Executive
- Front Desk Executive

Our Thinktank: -

Mr. Murtaza is our “Partner & Business Head”
As a young and vibrant entrepreneur, Murtaza is keen on expanding the Toolings & Technologies business network currently on a pan Maharashtra basis, and in a future on a pan India basis. He believes that the progress in technology is opening up new frontiers for the line of business that his grandfather started in 1946 and he is keen to take full advantage of this opportunity. On the other hand, he still believes deeply in the values that laid the building blocks of the organization, that is, giving value for money to its customers and forging long lasting relationships.

PAT ON THE BACK

Mr. Feroze H. Ali is our “Chairman” institutional sales & marketing to Government departments , Indian Railways, Defence & Military Establishments, Infrastructural projects, Chemical & Gas plants, acts as a vast resource pool to draw inputs from. Being himself an active organization man who incepted the Confederation of West Bengal Trade Associations and Calcutta Chamber of Trade as its founder, he has many recognitions to his credit. He is the recipient of the Lifetime Achievement Award of Calcutta Chamber of Trade, presented to him by His Excellency Sri Pranab Mukharjee, President of India.

T&T Awarded Best dealer and Highest Sales Achiever 22-23 by CIPL & KIPL

Our customers & Testimonials:-

Toolings and Technologies is a market leader in supplying to various industries like :

- Aerospace • Die & Mould • Automotive
- Bearing • Gear machining • Defence Industry
- Power Generation • Pipe Machining
- Medical and Food Processing Industry

"Comprehensive product portfolio, fair prices, superior quality and exceptional service. All in all, a company worthy of reposing trust in, and cement long lasting business relationship with.

Inoxpa India Pvt. Ltd.
Mr. Rakesh Sharma
HOD- Materials
